Dear Parent(s) or Guardian(s),

Pediatric Advanced Therapy is committed to providing you and your family with the best possible care. Please understand that our office policies are in place to ensure that we are able to continue to provide excellent care to all of our patients. Your understanding of these policies is a vital piece to your child's progress in treatment, and we invite you to ask if you have any questions at any time.

As a courtesy for our patients' families, we will call your insurance carrier before treatment begins to verify coverage and benefits. The information we obtain is not a guarantee of payment; your insurance will process the claims based on your specific policy, medical necessity, and any exclusions or limitations attached to your plan. It is important that you understand that you will be responsible for any charges not covered by your insurance plan including—but not limited to—deductible, co-insurance, and co-payments. In addition, many insurance plans have a maximum number of therapy visits covered per year, with anything in addition being the responsibility of the patient. We do have a reduced, self-pay rate that we will apply if/when this occurs.

I have read and understand the financial policy for Pediatric Advanced Therapy, and agree to be responsible for any charges accrued on my account. I agree to keep my account current by either paying at the time of service or within 30 days of invoice. I understand that a member of the office staff will always be available to answer any questions I may have regarding my account.

Attached you will find the information we received from your insurance company, with a quote of expected benefits and patient out-of-pocket portions.

IMPORTANT!

Please arrive 15 minutes before your scheduled appointment.

ALL paperwork must be completed prior to your appointment and turned in at the window upon arrival.

What to Expect During the Evaluation

- Please arrive 15 minutes before your scheduled appointment with all of your paperwork completed.
- Our front office staff will discuss your insurance with you upon arrival if it has not already been discussed over the phone.
- Your evaluating therapist will review your paperwork and come greet you in the lobby.

During the evaluation:

- Parents are welcomed to come back into the treatment rooms during the evaluation to speak with the evaluating therapist.
- Please share your concerns for your child, medical and developmental history as well as challenges that occur within your daily routine. It is helpful to know how they do in a variety of settings as well, not just at home with you, i.e. school, play dates etc.
- Please share any precautions or limitations your child may have with regard to physical movement, environmental or food allergies.
- The evaluating therapist will complete structured and unstructured clinical observations of your child's movement patterns, sensory processing and age appropriate skills.
- The evaluating therapist will most often provide questionnaires for you to complete during your time and at this point may ask you to fill these out in the lobby while they complete additional standardized testing in a small room at a table (where appropriate). Parents are always welcome to stay for the duration if they prefer and with younger children and infants, that is typical.
- At the end of the evaluation, your therapist will share with you deficits that have been noted and decide whether or not your child requires skilled therapy intervention.
- If therapy is required, it is best to discuss days and times with the office staff before you leave so that they can begin working to find you an appointment time.
- Before you leave, you will receive educational handouts about what to expect from treatment as well as basic information regarding your child's specific difficulties.
- Your therapist will compile test scores and a written report with treatment goals.
- You can expect a report to be mailed to you within 2 weeks or sometimes it will be given to you at your next appointment.

If you have any questions, please feel free to call and ask prior to your appointment, or you can ask the evaluating therapist or office staff upon arrival. We look forward to working with you and your child to help them reach their full potential!
Sincerely,

PATStaff

ACKNOWLEDGEMENT and ASSUMPTION of RISK

I acknowledge and agree to have my child (or the child under my care), receive occupational therapy services from Pediatric Advanced Therapy. I acknowledge that there is some risk inherent in the use of the therapy equipment and I agree to assume such risk and indemnify and hold Pediatric Advanced Therapy and its staff, harmless from any and all losses and claims for any injuries or other damages occurring to myself, my child or our belonging.

MEDICAL TREATMENT RELEASE:

In the event of an emergency situation at Pediatric Advanced Therapy, I give the staff of PAT my permission to initiate emergency medical services for the child listed above if I am not present during the emergency. My hospital preference is _____, however I acknowledge that Pediatric Advanced Therapy will not be held responsible for hospital or EMS providers designated.

Please note: If your child has any of the following conditions it is <u>mandatory</u> that you remain on the premises during his or her therapy session. These conditions include: Seizures, severe allergies, significant behavioral issues, and any condition that requires medicine to be controlled. This is for the safety of your child and the protection of our staff.

ASSIGNMENT OF INSURANCE TO PEDIATRIC ADVANCED THERAPY:

I authorize direct payment of medical benefits to Pediatric Advanced Therapy. The benefits referred to herein would be payable to me (policy holder) if I did not make assignment and include Major Medical Insurance. **I understand that I am personally responsible to Pediatric Advanced Therapy for any and all payments not covered by the insurance companies, such as co-payments, co-insurance, deductibles and denied services. All payments are due at the time of service.**

The attending therapist is authorized to release any medical information required in the administering of applications for financial coverage for service required. He/she may also send the results of the evaluation and recommendations to my referring physician for coordination and continuity of care. I have carefully completed this form and to the best of my knowledge it does not contain any false, incomplete or misleading information.

POLICIES & PROCEDURES *Revised 2/4/2015*

The privacy of your medical information is important to us. We understand that your medical information is personal and we are committed to protecting it. We create a record of the services you receive at Pediatric Advanced Therapy. We are required by law to inform you of the "class of persons" who will have access to your medical information in order to carry out their job duties. This would include our therapy staff, administrative & billing staff and management. We may use and disclose your medical information for the purpose of treatment, payment and health care operation activities.

All evaluations usually last for one hour. It is the responsibility of the parent/guardian to bring all pertinent information to the evaluation. This includes your completed paperwork, insurance card, Medicaid card, and any medical history and/or past evaluations your child has received. You will need to be present for the first 20 minutes of the evaluation so that the therapist can ask you some questions. The remainder of the evaluation time will include clinical observation and in most cases, standardized testing. For liability reasons, we can only allow the children who are being treated into the gym and therapy rooms. **Siblings MUST stay in the lobby, NO EXCEPTIONS.**

Occupational and Physical Therapy sessions last for 50 minutes. Following the session is a 10-minute window to discuss your child's therapy with the therapist. It is mandatory that you are in the lobby during this 10-minute time frame. Please have your child use the restroom prior to the treatment session. Speech Therapy evaluations last for one hour and treatment sessions are 30 minutes.

If you leave the clinic while your child is in session, you **MUST** leave a phone number where you can be reached. You must return to the clinic before your child's session ends. This allows time for the therapist to speak with you regarding your child's treatment and progress, and also keeps the next client's session on schedule. **Please note: If your child has any of the following conditions it is <u>mandatory</u> that you remain on the premises during his or her therapy session. These conditions include: Seizures, severe allergies, significant behavioral issues, and any condition that requires medicine to be controlled. This is for the safety of your child and the protection of our staff.** If you arrive late for your session, your appointment will still end at the original end time.

Please try to give 24-hour notice when cancelling an appointment. (Occasional last minute emergencies are understood.) If you call after hours, please leave a message on our answering machine. Frequently cancelled appointments (3 within a 6 week period) will be basis for removal from our permanent schedule. When we establish a treatment plan for your child, we base our goals on the child having consistency. If your child misses appointments, they will not meet their goals as quickly, and your child will have to be enrolled in therapy for a longer period of time. The success of our treatment sessions depends on consistency. Medicaid and insurance companies require us to report attendance and show progress towards goals. In the event that you do have to cancel, we strongly encourage you to schedule a make-up appointment, even if it is with another therapist. It is often beneficial for your child when another therapist treats him or her because it gives the regular attending therapist another opinion or ideas for your child. Our staff is always in close communication with each other.

In the event that the therapist needs to cancel, we will reschedule your child with another therapist for continuity of treatment.

Failure to cancel or to appear for an appointment is considered a "NO SHOW." We will charge a $25.00 fee for "NO SHOW" appointments. After 3 "NO SHOW" appointments or late cancellations your appointment spot will be terminated. Please see our attached cancellation policy for further details.

At Pediatric Advanced Therapy, we will file with your insurance company as a courtesy. It is important for you to understand that when we contact your insurance company to verify benefits, they are only providing us with a quote. You should also call your insurance company to verify your benefits and check your benefits in your plan booklet. Many insurance plans have a limited number of visits for outpatient therapies. It is your responsibility to keep track of the number of visits your child has used. **Verification of coverage is NOT a guarantee of payment. Benefits and payment will be determined by your insurance company once the claims are received.** Any payments not covered by insurance or Medicaid will be the sole responsibility of the parent/guardian.

<u>All payments are due at the time of service.</u> We are required under contractual agreements with insurance companies to collect co-payments at the time of service. If you have a deductible that has not been met you should be prepared to pay the full allowable amount at each visit until your deductible is met. (*For example, if you have a $500 deductible, this means that your insurance company will not pay any money towards your medical expenses until YOU, the member, have spent $500 of your own money towards medical expenses.)*

NOTICE OF PRIVACY PRACTICES

PURPOSE: This notice describes how medical information about you may be used and disclosed and how you can obtain access to this information. **Please read carefully.**

The privacy of your medical information is important to us. We understand that your medical information is personal and we are committed to protecting it. We create a record of the services you receive at Pediatric Advanced Therapy. We need this record to provide you with quality care and to comply with certain legal requirements. We are required by law to maintain the privacy of protected health information. This notice will tell you about the ways we may use and share medical information about you.

USE AND DISCLOSURE OF MEDICAL INFORMATION: Following is a list of the different ways we are permitted to use and disclose medical information. We will not use or disclose your medical information for any purpose not listed below, without your specific written authorization. Any specific written information you provide may be revoked at any time by writing to us.

- **FOR TREATMENT:** We may use medical information about you to provide you with medical treatment or services. We may disclose medical information about you to doctors, nurses, technicians, medical students or other people who are taking care of you. We may also share medical information about you to your other health care providers to assist them in treating you. We may discuss medical information about your child with interdisciplinary staff at Pediatric Advanced Therapy to improve their overall care.
- **FOR PAYMENT:** We may use and disclose your medical information for payment purposes.
- **FOR HEALTH CARE OPERATIONS:** We may use and disclose your medical information for our health care operations. This might include measuring and improving quality, evaluating the performance of employees, conducting training programs and getting the accreditation, certificates, licenses and credentials we need to serve you.
- **ADDITIONAL USES AND DISCLOSURES:** In addition to using and disclosing your medical information for treatment, payment, and health care operations, we may use and disclose medical information for the following purposes.

Court orders and Judicial and Administrative proceedings: We may disclose medical information in response to a court or administrative order, subpoena, discovery request, or other lawful process, under certain circumstances. Under limited circumstances, such as court order, warrant, or grand jury subpoena, we may share your medical information with law enforcement officials. We may share limited information with a law enforcement official concerning the medical information of a suspect, fugitive, material witness, crime victim or missing person.

Public Health Activities: As required by law, we may disclose your medical information to public health or legal authorities charged with preventing or controlling disease, injury or disability, including child abuse or neglect. We may also disclose your medical information to persons subject to jurisdiction of the Food and Drug Administration for purpose of reporting adverse events associated with product defects or problems, to enable product recalls, repairs or replacements, to track products, or to conduct activities required by the Food and Drug Administration. We may also, when we are authorized by law to do so, notify a person who may have been exposed to a communicable disease or otherwise be at risk of contracting or spreading a disease or condition.

Victims of Abuse, Neglect, or Domestic Violence: We may disclose medical information to appropriate authorities if we reasonably believe that you are a possible victim of abuse, neglect, or domestic violence or the possible victim of other crimes. We may share your medical information if it is necessary to prevent a serious threat to your health or safety or the health and safety of others. We may also share medical information when necessary to help law enforcement officials capture a person who admitted to being a part of a crime or has escaped from legal custody.

Health Oversight Committees: We may disclose medical information to an agency providing health over sight for oversight activities authorized by law, including audits, civil, administrative, or criminal investigations or proceedings, inspections, licensure or disciplinary actions, or other authorized activities.

YOUR INDIVIDUAL RIGHTS: ***You have a right to:***

- Look at or receive copies of your medical information.
- Receive a list of all the times we or our business associates shared your medical information for purposes other than treatment, payment and health care operations and other specified expectations.
- Receive your own confidential health information by alternative means or alternative locations.
- Request that we place additional restrictions on our use or disclosure of your medical information. We are not required to agree to these additional restrictions, but if we do, we will abide by our agreement (except in the case of an emergency).
- Request that we change your medical information. We may deny your request if we did not create the information you want changed or for certain other reasons. If we deny your request, we will provide you with an explanation. You may respond with a statement of disagreement that will be added to the information you want changed. If we accept your request to change the information, we will make reasonable efforts to tell others, including people you name, of the change and to include any changes in any future sharing of that information.

In each case, you must make your request in writing to the Privacy Officer at Pediatric Advanced Therapy.

QUESTIONS AND COMPLAINTS: If you have any questions about this notice or if you think that we have violated your privacy rights, please contact us. You may also submit a written complaint to the U.S. Department of Health and Human Services. We will provide you with the address to file your complaint with the U.S. Department of Health and Human Services. This complaint must be filed within 180 days of when the complainant knew or should have known that the act had occurred. The secretary may waive this 180 day time limit if good cause is shown.

This notice is effective April 14, 2003.

I have received and understand the Privacy Practices of Pediatric Advanced Therapy.

Cancellation Policy

Effective March 2,2018

Pediatric Advanced Therapy aims to provide the highest quality of care to all patients. In the interest of all of our patients, we are implementing a 24-hour cancellation policy effective January 1, 2017. All cancellations require 24 hours' notice to avoid a cancellation fee. By implementing this policy, we will have the ability to replace cancelled appointments with patients in need and provide the best care for our collective patients.

Our policy is as follows:

1. Patients that cancel with more than 24 hours' notice will not be subject to a cancellation fee. If a patient cancels more than 3 times in a 10-week period, they are subject to being removed from the permanent schedule.
2. Any patient that no shows for an appointment without a prior call will immediately be subject to a $25 no show fee.
3. Any patient cancelling with less than 24 hours' notice will be subject to a $25 cancellation fee.
   *If a patient schedules and attends a make-up session within the week of (or the week following) the cancellation, the cancellation fee may be waived.
4. If you cancel 2 weeks in a row due to sickness, we require a doctor note in order to attend next session.

If you have questions or would like to discuss your scheduling needs, please call 704-799-6824.
